Arrive in Style with Silversea — The Award-Winning Luxury Cruise Line

Most luxury brands began in Europe, and even today Italy is universally acknowledged as the world-centre of style, design, and that intangible allure called la dolce vita. There are the world's leading fashion designers from Armani to Ferragamo, the temptations of la cucina Italiana, the Chiantis and Brunellos of Tuscany. And in the ultra-luxury travel market — there's the polished perfection of Silversea.

Onboard, the style is inspired by the golden age of cruising. Decorative Art Deco design elements lend a sophisticated 1930s ambience to this luxury cruise line. From the ceiling lights in Le Champagne and the sky-lit main staircase, to the innovative Stars Supper Club aboard Silver Spirit, Silversea guests sail the world surrounded by a provocative blend of modern elegance and timeless glamour — the sensations of history's most romantic travel era.

Silversea all-inclusive lifestyle...

- **Ocean-View Suites** – All accommodations offer your own view of sea and sky. Silversea suites are amongst the most spacious at sea and 85% have private verandas.

Your preferred selections are even stocked in your suite...compliments of Silversea.

Enrichment lecturers host discussions of specialised topics related to the voyage destination. There's live music and dancing. Casino games and top deck celebrations under the stars. In your suite, films are always complimentary.
- **Gratuities** – Already included. Never expected. The service is gracious, the hospitality genuine
