New Zealand

It is no wonder New Zealand is one of our most loved destinations. Often referred to as 'The Land of the Long White Cloud' (or Aotearoa in Maori), it is a place of majesty and unparalleled beauty.

Here you'll find geological works of art and geothermal wonders; spectacular alpine glaciers, rolling green farmland and long white sand beaches. A country steeped in Maori tradition and rich in culture, New Zealand is spectacularly memorable on every level and a wonderful country to discover by sea.

From the unforgettable natural wonders of Milford Sound in the south, to the vibrant cosmopolitan streets of Auckland in the north and each port in between, your journey will enrich you with the spirit of Aotearoa.

Even onboard, the ship takes on a decidedly New Zealand feel. The country's culinary delights will feature prominently on the menus, as well as local beers and acclaimed wines. The ship's movie and TV line up will feature films with a local twist, as well as New Zealand documentaries and sporting events. To further enhance your cultural experience, destination experts will travel on each voyage.

New Zealand Shore Excursions†

Bay of Islands Catamaran Cruise & "Hole in the Rock"

It's all aboard a chartered catamaran for a half-day cruise around the Bay's inner islands, including the famous Hole in the Rock and Cathedral Cave. Round out your day with a dip, hike or exploration of Otehei Bay on Urupukapuka Island, the largest island in the Bay.

Hawke's Bay Wines & Cheeses, Napier

New Zealand's oldest wine region is famed for its microclimates and gravelly soils. Visit three of the region's acclaimed wineries. Long noted for chardonnay and Pinot Noir, Hawke's Bay wineries have been winning laurels for their Bordeaux varietals. During one winery stop, sample Rush Monroe's famous ice cream.

Taieri Gorge by Train, Dunedin

A Princess exclusive - board the train alongside your ship and travel through the dramatic Taieri Gorge on a journey that crosses 19th century cast-iron bridges and travels through 10 mountain tunnels with a boxed lunch. Make a photo stop at the historic Dunedin Railway Station, and admire its architecture, before reboarding the train back to your ship.
