Door-to-door offer: The door-to-door offer is only applicable to all cruises over 16 nights duration (excluding D1408 departing Avonmouth), for departures within 250 miles of your home. Any additional mileage must be paid to the taxi company at the time of booking. You may be required to share a cab for all or part of the journey. Passengers may elect to use the door-to-door service the day before departure but will then be responsible for finding their own way to the port/airport, at their own expense, on the day of departure. Once your complimentary transport arrangement has been confirmed by the transport provider; if you subsequently fail to take this arrangement and not cancel with the transport provider, then you will be liable for the cost, your on board account will automatically be charged and your return journey cancelled. Not combinable with any other offer (except Enjoyment Promise, if applicable). If you have booked a 2015 departure, you will only be able to book door-to-door transport once your flight times have been confirmed. E&OE. These terms and conditions are in addition to Fred. Olsen Cruise Lines standard terms and conditions available on their website or on request. Prices featured are OWT's discounted prices. Some ports may be at anchor. Pictures are for illustration.
