ASSOCIATION OF CRUISE EXPERTS

SAIL WITH ROYAL CARIBBEAN INTERNATIONAL AND YOU'RE PROMISED A HOLIDAY FILLED WITH THE AMAZING, THE WONDERFUL AND THE UNFORGETTABLE.

Everyday can be different with amazing activities.

Why not... experience the energy of an ice spectacular or West End style show? Or the excitement of the casino and the laid-back atmosphere of a piano bar, there's something to suit every holiday mood. Let Royal Caribbean International entertain you with a different show every night, enjoy your favourite tipples in one of the many on board pubs and bars, or let yourself go and dance the night away in the nightclub. However you want to be entertained, every night is a night to remember.

Their onboard innovations ensure you will always have a fun-packed cruise. Enjoy the view from the top of the on board rock-climbing wall, or get together on their sports court with a game of football, basketball or volleyball. Then show off your moves on the ice rink or in-line skating track and even learn to boogie-board on the world's first onboard surf simulator.

There's also the exhilaration of the H2OZoneSMonboardIndependence of the Seas, an incredible top deck family aqua park with interactive fountains, swimming pools and water cannons. Alternatively just sit back and relax in one of the panoramic cantilevered whirlpools, which extend a breathtaking 12 feet out from the side of the ship.

An Ocean of Tranquillity. The world-class Day Spa & Fitness centre has all the equipment and facilities you need for a great workout, including state of the art cardiovascular machines, weight machines, and free weights. From Pilates to circuits, kickboxing to aerobics, Royal Caribbean International also offers the latest classes for all levels of fitness. Why not try Pathway To Yoga, with two levels of classes catering for beginners and the more advanced, or Wheels In Motion, a group based spinning class for an invigorating workout regardless of your fitness level.

Great food is an important part of any holiday. That's why everything on board, from a grand formal dinner to

a traditional hamburger, is of the very highest quality. Choose from the elegant Main Dining Room with its attentive service and flexible dining options, the Speciality Restaurants offering a range of different culinary experiences, or the relaxed cafés and restaurants – perfect for families.

The Main Dining Room combines outstanding food in an elegant setting with first-class service. The Traditional Dining option enables you to pre-select your ideal dining time for the duration of your holiday. So, you can relax in the knowledge that you'll always have a table reserved for you at the time you want – either in the main or second seating. If you prefer a little more flexibility, My Time Dining will be perfect.

My Time Dining – This enables you to dine when you want, with whom you want. Simply reserve your table anytime between 1800hrs and 2130hrs* during your cruise. To be sure of getting your preferred time, we strongly recommend that you book as early as possible. Please note, a pre-paid gratuity will automatically be added to your reservation for My Time Dining.

There's nothing like being welcomed back into a luxurious, spacious room. Whatever your budget, comfort, cleanliness and convenience are equally part of the package. They all include a private ensuite bathroom with shower, TV, telephone, vanity area and even a hairdryer. Rooms are made up and ice replaced every day, and you can call on a dedicated 24-hour stateroom attendant anytime.

Why not treat yourself to a Suite?

Suites and Deluxe Staterooms are perfect for larger families and groups who demand the best. They give you the space to really stretch out while keeping everyone together, and accommodate up to eight people. Suites are the biggest, all with private balconies, and give you some preferential advantages throughout your trip – from priority boarding and dedicated entertainment seating, to a private concierge service.

Sailing with Celebrity Cruises can only be described as premium, private, perfect.

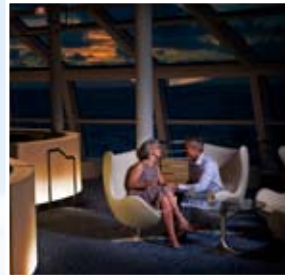

When the spectacular is the norm, that's what they call Modern Luxury. Touches like an upper deck of natural glass to relax on, restaurants where the design matches the exceptional cuisine. Service that's intuitive yet discreet. The light and contemporary feel of a top boutique spa resort ashore – but with so much more choice.

Every hour of your holiday should be lived to the fullest. So meet Celebrity LifeSM — the unique selection of palate-pleasing, fun-filled and life-renewing activities, games and music. Every day can be a different experience as you try out the countless culinary, enrichment and wellness programmes. From learning Tai Chi, to discovering the latest high tech gadgets in the Celebrity iLounge, or learning how the right glass enhances your favourite Merlot at the Riedel® Comparative Wine Crystal Workshop.

Celebrity's Star Treatment begins as soon as you arrive onboard with a simple yet meaningful gesture—a smile, a friendly greeting and an offer of assistance. Within moments a complimentary glass of champagne or orange juice helps you celebrate the beginning of your cruise. The bartender will soon remember your favourite cocktail or how dry you like your martini while you'll find the restaurant staff attuned to any special dining requests you may have. This highly personalised touch sets the tone for your entire voyage and is at the heart of the Celebrity Cruises experience.

There's nothing like being pampered. So the exclusive and supremely tranquil AquaSpa® by Elemis® offers you all the amenities of a world-class health resort, but at sea. Relax in the

eucalyptus infused steam of the Persian Garden, check out the state-of-art fitness facilities, or rejuvenate your body and soul from the vast assortment of treatments. There's even a new class of stateroom created for spa-lovers, right next door to the AquaSpa.

Less a "room." More an "oasis." Exploring the world can take a lot out of you. So when it came to designing the perfect place for you to rejuvenate, Celebrity Cruises sought the advice of our "Five Leading LadiesSM" — a frequent cruiser, a travel agent, a travel writer, a hotelier and a potential cruiser — who shared their ideas about comfort, travel and style. The result? Staterooms and suites that welcome you with forward-thinking design, and impress you with spacious balconies and breath-taking views.

Treat yourself to AquaClass stateroom. Exclusive to the Solstice Class ships, guests have the added choice of AquaClass®, a new category of double-occupancy staterooms offering unlimited access to the AquaSpa® relaxation room and Persian Garden, as well as a host of other soothing extras – creating the perfect spa retreat.

New, delicious and like nothing else at sea. Only on a Celebrity Cruise will you find award-winning cuisine paired with the extravagant fun of ordering your entire meal on an iPad. Jacques Van Staden, their acclaimed master chef, constantly cooks up an artfully presented blend of globally inspired contemporary and classic delicacies. What's on Celebrity's menu isn't the standard fare, and neither is the time or place you choose to eat.
