Welcome to our new-look River Cruise brochure, bringing you the latest river cruises and itineraries so that you're not missing out on what is quickly becoming one of the most popular ways to cruise. River cruise lines are dedicated to bringing you luxury travel and access to some of the locations a regular cruise can't reach, and as ever, Ocean World Travel are dedicated to making your dream cruise a reality!

Since our very first day in business, we have been committed to providing the best price and the best service.

The best price is easily quantifiable but the best service less so.

So we were delighted when Kayley received the Travel Trade Gazette's Top Shop Mystery Shopper Award – a third party endorsement of our commitment to delivering excellent customer service and to treating our customers how we would like to be treated ourselves.

We know that special extras like a bunch of flowers or even a card can help make your cruise holiday just that little bit more memorable, and at Ocean World Travel, we always want to give our customers their most memorable and perfect voyage yet!

We can't fulfill everyone's wishes but we certainly try extremely hard!!

*A.S. Godby*

## MEET OUR SMILING TRAVEL PLANNERS

Ocean World Travel were recently visited by Travel Trade Gazette's Top Shop mystery shopper, who wanted to find a week's Med cruise in October for a 65th wedding anniversary. Consultant **Kayley Green** scored an incredible 90%, making her the team member of the month!

**Name:** Kayley Green

**Company:** Ocean World Travel

**Job title:** Consultant

**How long have you been in travel?** Seven years total, five here, two before in a Thomas Cook shop.

**How do you keep up to date on cruise lines?** We have in-house training from managers and different reps come here. We're based in Southampton so I do a lot of ship visits. Last year I cruised with Fred Olsen.

**What do you suggest for special occasions?** We'll see what's available from cruise lines and we might send flowers or a card ourselves. It's always nice to bear in mind when you are looking at different itineraries when the special day is. With this enquiry I was thinking if it was my anniversary I'd like to be somewhere quiet and romantic and I knew they wanted Italy as part of the trip.
