AWARD WINNING

Cyplon Holidays has received many awards in its history since it was established in 1972. Most recently we were recognised by the UK travel industry at the Travel Trade Gazette (TTG) Trade Awards. We received the great honour of being named as the UK's "Specialist Operator of the Year" for 2018. In 2017, we were rewarded with the title of the UK's "Leading Tour Operator for Family Holidays" at the Travel Bulletin Star Awards. Similarly, we have been winners of the title "Leading Independent Tour Operator to the Mediterranean" in 2015, achieving this consecutively, having won the award in 2012, 2013 and 2014.

WE ARE AITO MEMBERS

Cyplon Holidays is a proud member of the Association of Independent Tour Operators. AITO represents Britain's leading independent tour operators and demands high standards of quality and service. Cyplon Holidays abides by AITO's Code of Conduct and adheres to the AITO Quality Charter.

Do not fear- we won't put you on a bus full of 30-40 people! When you arrive in resort, travel in luxury in one of our private transfer cars or for larger groups a private minibus. N.B. Child and Baby Seats For Transfers- if required are at an extra cost and must be booked in advance.

Here, we can provide you with advice & tips on your Resort & its surroundings. You will also be provided with an around-the-clock point of call – in case you need any additional assistance whilst on your vacation.

SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you. However, it is within our right to deem a price of our competitor "not sensible", i.e. a price where we feel that our competitor either may have made a mistake in calculating their prices or indeed where we feel the competitor is pricing the holiday at lower than costs.

FLUID PRICING IN THIS BROCHURE

Cyplon Holidays adopts a completely fluid method of pricing for its holidays. In simple terms this means we don't fix the prices of our holidays from the outset and if any of the prices of our holiday elements, such as air fares or hotel rates, are reduced [as they do second by second] then you can expect to see a lower cost for your holiday. This way our prices will always be more accurate and therefore more competitive. Please note that whilst the prices we display in our brochure are prepared with the utmost care and attention, they are to be used for guideline purposes only. To obtain a detailed quotation of your holiday cost, kindly contact your local travel agent or call our Reservations Team on **020 8340 7612**, or visit our website **www.cyplon.co.uk**.

The quintas of Madeira are so charming and welcoming, staying in a quinta really gives you a true feeling of the island.

”

INFORMATION ON MADEIRA

HISTORY & CULTURE

The discovery of the island of Madeira is captivating and enthralling, as three young sea captains, took a leap into the unknown amidst dark, gloomy clouds on the southern horizon. King John I of Portugal ordered the colonisation of the island, around 1425, with the first families coming from the Algarve region and then from the northern region of the mainland. In order to create the minimum conditions to settle and develop agriculture, a part of the dense laurel forest had to be deforested and a large number of water channels (levadas) were built, as the northern part of the island had excess water while it was scarce in the south.

MADEIRAN CUISINE

As a South-European island, Madeira has developed its own gastronomy prepared with locally sourced and natural ingredients, giving the island its own individual flavour and cuisine, independent from its neighbours, such as Greece, Italy or even mainland Portugal. Food and drink is an important aspect of the Madeiran lifestyle and restaurants are plentiful around the island to offer its visitors deliciously prepared food and unique culinary experiences. In Madeira you will be able to indulge in a variety of flavours from the taste of exotic passion fruit, to street food, such as their local garlic bread Bolo Do Caco and even fresh sea food including fried scabbard fish.

THINGS TO SEE & DO

Madeira is an island rich with an array of opportunities for its visitors to experience and appreciate; satisfying every traveller’s leisure needs. On the island you will find there is a popular host of events that run throughout the year, where locals and tourists come together to share cultural and artistic experiences or enjoy the favourite weekend activity with the locals, by finding a suitable festa. Festas are the place to hang out by indulging in a cooling drink and maybe have some espetada or other snacks. There are also regular local festas featuring traditional music, live rock bands and municipal bands.

Madeira

FAMILY ACTIVITIES

Madeira island is known for its exquisite black volcanic sand, crystal clear waters and high beach standards, making it an ideal place for families and couples. For families seeking golden sandy beaches then the beaches of Calheta and Machico are the places to be, where the sand is imported specially to cater for its travellers. Families seeking to experience history, art and culture can visit the range of museums in the capital of Funchal, such as the Madeira Story Centre or the CR7 Museum, a museum dedicated to the football star Cristiano Ronaldo, exploring his amazing story and his collection of trophies achieved throughout his career.

MADEIRA EXCURSIONS

CANARY ISLAND HOLIDAYS

A holiday to the Canary Islands is like an adventure to the farthest flung corner of the Spanish territories, but just a stone throw's away from North Western Africa's coastline; a real mix of cultures yet a cluster of islands offering seclusion, dreamy coastlines and a unique culture so making you feel like it's a whole destination of its own. Gran Canaria, Tenerife, Lanzarote, Fuerteventura, La Palma and La Gomera are islands far from the rest of Spain's mainland and Balearics, offering something a little bit different from the norm. For some, it's the paradisiacal beaches and 5 star luxury resorts that really draw them into the Canaries dream; for others, it's the dramatic volcanic landscapes and the promise of endless nature trails across the islands' stunning national parks that really makes it.

“

- WHY WE LOVE THE CANARY ISLANDS -

An all-year-round destination, with each island having it's own unique character and culture

INFORMATION ON THE CANARY ISLANDS

TENERIFE

There are many reasons to visit Tenerife, simply because it's one of those islands that offer a little bit of everything. As the largest island of the Canaries, it's also the most popular and for anyone who can't decide between the seven main destinations of the archipelago, Tenerife can be the place to tick all of your boxes.

FUERTEVENTURA

Fuerteventura is an island made for those who enjoy spending their day at the beach, relaxing and feeling the cool, gentle breeze. If you love sunbathing, unspoiled sea views and exciting water sports, this Canary Island is the ultimate destination for your next holiday. Located just off the west coast of Africa, Fuerteventura is the second largest of the island archipelago.

GRAN CANARIA

The Gran Canaria is one of Spain's stunning Canary Islands. With its unique location off the northwest coast of Africa, this island can offer holidays like no other. The scenery is exquisite, boasting the most diverse landscape of the archipelago, you'll find everything from subtropical forests and lush green mountains to golden dunes and white sand coves.

LANZAROTE

Another traveller favourite, the island of Lanzarote is best known for its wild, arid landscape and unique volcanic topography. Other than its bizarre subtropical-desert climate and strange land formations of red, brown and golden hues, this destination is also loved by beach lovers and divers who revel in the crystal clear waters.

14-8 days	90% of holiday cost, or deposit if greater
7 days or less	100% of holiday cost.

The above charges may differ for group bookings as well as special promotional offers & you will be advised at time of booking. Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges via your travel insurance company. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable & extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated & for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth Office.

5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person, & any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made & you should contact us as soon as possible. Note: Certain travel arrangements may not be changeable after a reservation has been made & any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels this may increase the overall cost of the holiday as it may be necessary to levy under- occupancy or single room supplements. You can transfer your booking to another person, who satisfies all the conditions that, apply to this booking, by giving us notice in writing as soon as possible & no later than 7 days before departure. Both you & the new traveller are responsible for paying all costs we incur in making the transfer.

6. IF WE CANCEL OR CHANGE YOUR BOOKING

(a) Cancellation: We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date, except for unavoidable & extraordinary circumstances, or failure by you to pay the final balance. Unavoidable & extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will:

1. Provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. Pay compensation as detailed below except where the cancellation is due to unavoidable & extraordinary circumstances (see definition above).

(b) Changes: (1) – Changes to the price
We can change your holiday price after you've booked, only in certain circumstances: Changes in transportation costs including the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports & airports or exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure. We will absorb, & you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums & any amendment charges. You will be charged for the amount over & above that plus an administration charge of £100 per person together with an amount to cover agent's commission. If this results in an increase equivalent to more than 10% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling & receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel: 1) you must do so within 14 days from the invoice 2) We will provide a refund of insurance premiums paid to us if you can show that

you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency & some apparent changes have no impact on the price of your travel due to contractual & other protection in place.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

- (2) - Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

• We will contact you or your travel agent & you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully & respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

• If you choose to accept a refund:

1. We will provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. We will pay compensation as detailed below except where the significant change is due to unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

(c) Compensation if we cancel or make a major change to your booking
The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which we notify you:	Compensation From Us
More than 70 days	NIL
70-57 days	£5
56-29 days	£10
28-15 days	£15
14-8 days	£20
7 days or less	£25

You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. If any of the travel services included in your package are not performed in accordance with the contract, or are improperly performed, by us or the travel service suppliers, & this has affected the enjoyment of your travel arrangements, you may be entitled to an appropriate price reduction or compensation or both. We will not be liable where any failure to perform or improper performance of the travel services is due to: you or another member of your party; or a third party unconnected with the provision of the travel services in the package & is unforeseeable or unavoidable; or unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Our liability will also be limited in accordance with and/or in an identical manner to

- a) The contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into this booking; &
- b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail & the Paris Convention in respect of the provision of accommodation, which limit the amount of & conditions under which compensation can be claimed for death, injury, delay to passengers & loss, damage & delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions. You can ask for copies of the travel service contractual terms, or the international conventions, from our offices at Cyplon Holidays, 246 Green Lanes, London N13 5XT or sales@cyplon.co.uk. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at EU airports & available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. NB this entire clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

9. PROTECTING YOUR MONEY

We provide full financial protection for our package holidays.

1. For flight-based holidays this is through our Air Travel Organiser's Licence number 0891 issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you & who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations & you agree to pay any money outstanding to be paid by you

under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

2. When you buy a package holiday that doesn't include a flight, protection is provided by way of a bond held by ABTA.
