CYPLON REPRESENTATIVES

The Cyplon Family does not just reside in the UK, it extends abroad – Our Cyplon Representatives will always be on hand to meet you & make certain that all is to your satisfaction. You will also be provided with an around-the-clock point of call - in case you need any additional assistance whilst on your vacation.

PRIVATE TRANSFERS

Do not fear- we won't put you on a bus full of 30-40 people! When you arrive in resort, travel in luxury in one of our private transfer cars or for larger groups a private minibus. N.B. Child and Baby Seats For Transfers- if required are at an extra cost and must be booked in advance.

SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you. However, please note, it is within our right to deem a price of our competitor "not sensible", i.e. a price where we feel that our competitor either may have made a mistake in calculating their prices or indeed where we feel the competitor is pricing the holiday at lower than its costs.

FLUID PRICING AND USING THIS BROCHURE

Cyplon Holidays adopts a completely fluid method of pricing for its holidays. In simple terms, this means we don't fix the prices of our holidays from the outset and if any of the prices of our holiday elements, such as air fares or hotel rates, are reduced [as they do second by second] then you can expect to see a lower cost for your holiday. In this way our prices will always be more accurate and therefore more competitive. Please note that whilst the prices we display in our brochure are prepared with the utmost care and attention, they are to be used for guideline purposes only. To obtain a detailed quotation of your holiday cost, kindly contact your local travel agent or call our reservations team on 020 8340 7612, or visit our website www.cyplon.co.uk

WELCOME TO ISRAEL

One of the most historically and religiously important countries in the world, Israel is a gem that many people plan to visit at least once in their lives. Whilst Israel will always be renowned as a historical and religious hub, it also has much more to offer, including fabulous beaches, cosmopolitan cities and vibrant night life. Due to its diversity, Israel is best discovered by visiting more than one part of the country, utilising the guided tours and excursions we offer to help you fully appreciate the importance of this destination. With Cyplon Holidays' knowledge and expertise of Israel, we can help you get whatever you want out of your holiday to Israel.

ISRAELI CUISINE

Because settlers came to Israel from all over the world, Israeli food is an eclectic mix of various food ideologies fused with Middle Eastern flair. Quality is the name of the game, and the fresh produce grown in Israel is some of the best in the world. Despite originating in Egypt, falafel has been perfected in Israel and can be found on almost every street corner. Other Middle Eastern inspired food that has been perfected in Israel include hummus, shwarma and shakshooka which is a concoction of tomatoes, onions, garlic, as well as crucial spices such as sweet paprika that is then topped off with a poached egg and soaked up by bread. For the best and cheapest way to experience this cuisine, visit the many food stalls dotted along the main street.

In the last 20 years, Israel has been making a name for itself in the wine world despite the region having not made wine since biblical times. Quality wines are produced in the Golan Heights region as well as Galilee and the Judean Hills. There are now over 300 wineries in Israel producing both Kosher and non-Kosher wine varieties. Israel is also renowned for its premium citrus fruit, so the freshly squeezed orange juices are a must have.

WEATHER IN ISRAEL

Given Israel's geographic location, the north and western coastal regions experience a Mediterranean climate, characterised by hot dry summers with highs of around 30°C and cooler winters with the possibility of some rainfall, mainly between December and February. The eastern and southern regions experience a more arid, typically Middle-Eastern climate, with very hot summers with temperatures reaching around 40°C and warm winters of around 20°C where any rainfall is negligible.

THINGS TO SEE & DO

There is quite possibly too much to do in Israel. This is why we would recommend to anyone travelling to Israel to visit more than one place. Israel's rich diversity makes this destination ideal for a tailor-made, multi-centre holiday. Here at Cyplon Holidays, our expertise and knowledge can help you get the most out of your time in Israel.

Starting with the historical and religious sites, of which most are concentrated in and around Jerusalem, there is the Western Wall, the Dome of the Rock, Al Aqsa Mosque, Church of the Holy Sepulcher, Mount Zion and Mount of Olives. It is highly recommended that a stay in Jerusalem is accompanied by guided tours and excursions so that the importance of the places you visit is fully appreciated. Day excursions and tours can be arranged through Cyplon Holidays in advance, however those looking for a fully immersive and educational experience are recommended to book one of Cyplon Holidays' set guided tours. These tours can be tailor made to your needs and wishes, and can also be combined with stays in stays in other parts of Israel so that you can experience more of what Israel has to offer.

RESORTS IN ISRAEL

Overleaf you will find a brief introduction to the resorts that are featured in our brochure. Given that Israel offers such diversity and that such a variety of experiences can be had in this fascinating ancient land, it is little wonder that the vast majority of our clients do not remain in one part of the country for the duration of their stay in Israel, but they wish to explore and absorb as much of what Israel has to offer as possible. Even if you are visiting Israel for specific reason, whether it be for a city break in Tel Aviv, a religious trip to Jerusalem or to bathe in the Dead Sea, the country is not so large that you can't take advantage of more than one resort or city in Israel. Israel is everything you want it to be and more.

TEL AVIV

Tel Aviv is known as "The City That Never Sleeps" due to its hedonistic, 24/7 atmosphere. The city combines a unique and remarkable list of attributes: Stunning beaches against the backdrop of the Mediterranean Sea; cultural offerings such as world class museums, theatre, music & opera; heavenly shopping opportunities; an amazing array of culinary choices, from the finest restaurants to tasty street food; and vibrant nightlife with many bars and clubs where you can party until sunrise. Adjacent to Tel Aviv is Jaffa, the original city with a history that goes back thousands of years. This resort is ideal for a fun city break, a long beach holiday or as a stopover on a wider tour of Israel.

JERUSALEM

Jerusalem is one of the oldest and most holy cities in the world. No one will ever forget a visit to Jerusalem, whether it is for a short city break, a cultural or religious trip or as part of a wider tour of Israel as the historical and religious sites are second to none and you will find people from all over the world marvelling at the city. Here, the past meets the present with the city's extremely rich history and a dynamic present. Step back in time by visiting Jerusalem's Old City, with its colourful bazaars, narrow cobbled streets lined with traditional cafes. The New City is awash with high street fashion and jewellery outlets, cosmopolitan restaurants and modern cafes.

DEAD SEA

Yet another world renowned site that Israel has to offer. The Dead Sea is one of the world's first health resorts dating back to biblical times as the water is said to have great healing benefits due to its hyper-saline content, as well as the highly oxygenated air and the hotel spas in the area make full use of these elements in their spas. Health and beauty products across the globe make use of the salt and minerals from the Dead Sea. The area is also a destination full of historical interest and is home to the Qumran Caves, where the Dead Sea Scrolls were discovered. This is also a great base from which to discover the freshwater springs of the Judean desert and the Waterfalls of Ein Gedi.

EILAT

Eilat is one of the original Red Sea resorts and makes full use of the stunning beaches at its doorstep and the warm all year round climate. The beaches here offer fantastic water sports and some of the best diving spots in the world. The city has many and varied restaurants suiting all tastes, and a vibrant night life. Eilat offers VAT free shopping, so you can benefit from this at the any designer shops and malls that line Eilat's streets.

TIBERIAS / GALILEE

Despite Galilee being a relatively small region in the north of Israel, it offers great natural beauty including the Sea of Galilee, Jordan River, a stunning mountain range and the lush green Biriya Forest. Galilee also has deep Biblical roots and many sites of Biblical importance, with the region being Jesus' home for much of his life with many of Jesus' miracles said to have been performed there, including the Feeding of the 5,000, Walking on Water and Curing a Blind Man. Galilee therefore attracts visitors who appreciate stunning nature as well as those with a historical and religious interest. A very popular form of accommodation for tourists in Galilee are Kibbutz, where there is a focus on communal living and nature preservation. Tiberias is a small city located west of the Sea of Galilee, and is popular with tourists and offers a good selection luxury hotels.

It's also attractive to the more laid-back traveller; Aqaba is an unspoilt yet thriving Red Sea resort, while the Dead Sea offers the ultimate pampering holiday as well as historical interest. If you've visited Classical Egypt and seen the wondrous remains of the ancient Egyptian culture, you're bound to enjoy the incredibly impressive legacy left by both the Nabateans and the Romans in Jordan. Enjoy the famous Jordanian warm welcome on a guided tour, multi-centre holiday or simple beach break.

HISTORY OF JORDAN

The modern state of Jordan is relatively young, with it officially being recognized as the "Hashemite Kingdom of the Jordan" in 1946. However the history of the region that we today call Jordan is quite simply staggering. The region has played host to some of the earliest and most impressive human civilizations in history. The timeline of events through history is far too intricate to describe in just a few sentences but we can assure you that you will have a fascinating and enlightening journey discovering this rich history when you visit this land yourself. All the great civilizations of history including the Egyptians, Assyrians, Babylonians, Hittites, Greeks, Romans, Arabs, Turks and Crusaders all traded, built cities and fought wars here, leaving behind their indelible marks and influences. From this perspective, there really are not many places on earth more interesting than Jordan.

WEATHER IN JORDAN

Being in the heart of the Middle East and with 90% of the country covered by desert, the weather in Jordan can hit high and low extremities. During the summer months of June, July and August - in desert areas specifically - temperatures can soar as high as 40 degrees during the day, and fall as low as 4 degrees when the sun sets. Many people tend to prefer travelling during spring and autumn months when temperatures are a little less intense, and it is therefore advised to plan your trip accordingly.

JORDANIAN CUISINE

The best way to anyone's heart is through their stomach. Jordan has a huge range of food and mezes to try and sample. Whether it be passing by a food stall or having a traditional sit down Jordanian meal, you'll be sure to indulge yourself in the unique flavours and aromas. As Jordan is one of the largest producers of olives in the world, Jordanians always find a way to integrate this delicious, and some believe medicinal ingredient, into their authentic cooking. Along with the two main herbs Sumac and Za'atar which are grown wild in Jordan, yoghurt is also a very popular ingredient and is included in their national dish Mansaf, which Jordanians believe is a dish symbolising generosity in their culture.

RESORTS IN JORDAN

Jordan, much like Israel, is bursting with natural beauty and ancient wonder. It is rare that visitors to Jordan will visit only one resort or city. Jordan is best discovered by experiencing as much of the richness and diversity that this country is able to offer. From the cosmopolitan Amman, the ancient Petra, the healing Dead Sea, the Red Sea waters of Aqaba and the stunning wilderness of Wadi Rum, each of Jordan's main cities and resorts are truly unique and offer a completely different experience from the next. Overleaf is a brief overview of each resort that will hopefully give you a sense of the diversity of unforgettable experiences to be had in Jordan.

AMMAN

The capital of Jordan is both a modern, cosmopolitan centre - home to tree-lined streets of elegant houses, cafés and shops - and an ancient city, evidence of which can be found all around with the remains of Neolithic, Ammonite, Assyrian, Babylonian, Persian, Nabatean, Roman, Byzantine and Ottoman civilisations abounding. Together, these two different aspects of Amman combine to make an unforgettable city worthy of several days' exploration. Amman is located between the fertile Jordan Valley and the desert, and makes an ideal base to explore the nearby attractions or enjoy a range of outdoor activities that include hiking, horse riding, hot-air ballooning and paint-balling. Amman makes a unique destination as a city break, a stop on a multi centre or tailor made holiday, or on a guided tour.

PETRA

In 2007 Petra was voted one of the 7 New Wonders of the World, and a visit to this endlessly fascinating city quickly reveals why. The ancient metropolis combines architecture with panoramic views and great natural beauty, and exudes a captivating atmosphere of mystery. Explore awe inspiring constructions carved into the famous pink rock in Roman times and discover remains of the ancient Nabatean culture. From the first approach, a trip to Petra is truly magical. The city can only be accessed via the Siq, a narrow gorge of over 1km featuring stunning rock formations, which ends on the doorstep of AlKhazneh - the Treasury - one of Jordan's most iconic sites, made famous in the film Indiana Jones and the Last Crusade. Petra can also be accessed from Aqaba, where a charter flight operates during winter. NOTE: As some sites in Petra require climbing steps and uphill treks, the resort may not be suitable for people with walking difficulties.

DEAD SEA

The lowest point on earth is also one of the most unforgettable, offering visitors an utterly unique experience. Travellers have been journeying to the Dead Sea for many years and for many different reasons; to take advantage of the health benefits of the highly oxygenated air and nutrient-rich waters, to visit the local sites of religious and cultural significance, for beauty treatments available at the resort's spas, or to simply experience first hand the beautiful landscape, amazingly buoyant waters and rejuvenating mud. The Dead Sea is also located in an area rich in history and Biblical references, and is believed to be the site of five Biblical cities.

AQABA

Aqaba is a Red Sea resort like no other. As well as a peaceful, un-commercialised holiday resort with some excellent quality hotels and great water sports facilities, it is also Jordan's only port, with a bustling town centre full of life, day and night. With many shops, restaurants and cafés frequented by locals as well as tourists, Aqaba offers an authentic taste of Jordanian life, as well as being a tax free zone. Close at hand is Wadi Rum and the stunning desert landscapes made famous by T.E. Lawrence, and Petra is also within easy reach - making Aqaba an ideal base for exploring some of Jordan's most iconic sites. The desert lends itself perfectly to activities such as camel treks, jeep safaris and camping and is an unforgettable experience.

WADI RUM

Declared a protected area in 1998, Wadi Rum is an area of stunning desert wilderness. Spread over 720 km², the landscape of this vast desert expanse comprises huge sandstone and granite mountains with sheer sides, valleys and canyons. Wadi Rum has played, and still plays host to Bedouin tribes for thousands of years with evidence of this in the form of ancient drawings etched onto the sides of rocks and caves. The distinctive vistas of the orange mountains and desert of Wadi Rum are truly iconic and these have been used as the backdrop in many Hollywood films including Lawrence of Arabia, Prometheus, Transformers: Revenge of the Fallen and most recently The Martian.

TERMS & CONDITIONS

Your contractual agreement is with Cyplon Travel Limited. It has been structured, in the interest of fair trading, to safeguard your holiday arrangements.

1. YOUR HOLIDAY CONTRACT

When you make a booking you guarantee that you have the authority to accept and do accept on behalf of your party the terms of these booking conditions. A contract will exist as soon as we issue our confirmation invoice. This contract is made on the terms of these booking conditions, which are governed by English Law, and the jurisdiction of the English Courts.

2. YOUR FINANCIAL PROTECTION

We provide full financial protection for our package holidays, by way of our Air Travel Organiser's Licence number 0891. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, The Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

3. ABTA

We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com.

4. YOUR HOLIDAY PRICE

The prices shown in our brochure are for guidance only. We have adopted a completely fluid method of pricing our holidays (i.e. our prices may change second by second to reflect ever changing airfares, hotel rates etc.) Therefore, our prices will be more accurate. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed.

When you make a booking you must pay a non-refundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional non-refundable deposit will be required for a Wedding or Cruise and it may differ for a group booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit. Changes in transportation costs, including the cost of fuel, dues, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports and exchange rates mean that the price of your travel arrangements may change after you have booked. However there will be no change within 30 days of your departure.

We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that, plus an administration charge of £1.00 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the invoice. Should the price of your holiday go down due to the changes mentioned above, by more than 2% of your holiday cost, then any refund due will be paid to you. However please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

When you buy a flight-based holiday, all monies you pay to the travel agent are held by the agent on behalf and for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by him, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. When you buy a holiday not including a flight, all monies you pay to the travel agent are held by him on our behalf at all times.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes, provided they refer to the same holiday season, but this may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person and any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible.

NOTE: Certain travel arrangements (e.g. Apex Tickets) may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels this may increase the overall cost of the holiday as it may be necessary to levy under-occupancy or single room supplements.

6. IF YOU CANCEL YOUR HOLIDAY

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent on your behalf must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay the cancellation charges shown below.

NOTE: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

CANCELLATION CHARGES

Written Notification Period Prior to Departure	Amount Payable
MORE THAN 70 DAYS DEPOSIT ONLY	30% of holiday cost or deposit if greater
56 - 29 DAYS	50% "
28 - 15 DAYS	70% "
14 - 8 DAYS	90% "
7 DAYS OR LESS	100% of holiday cost

The above charges may differ for group bookings as well as special promotional offers and you will be advised at time of booking.

7. IF WE CHANGE OR CANCEL YOUR HOLIDAY

As we plan your holiday arrangements many months in advance we may occasionally have to make changes or cancel your booking and we reserve the right to do so at any time. **Changes** - If we make a major change to your holiday, we will inform you or your travel agent as soon as reasonably possible if there is time before your departure. You will have the choice of either accepting the change of arrangements, accepting an offer of alternative travel arrangements of comparable standard from us if available (we will refund any price difference if the alternative is of a lower value), or cancelling your holiday and receiving a full refund of all monies paid. In some cases we will also pay compensation (see below). These options don't apply for minor changes. Examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers. Please note that carriers such as airlines used in the brochure may be subject to change. Cancellation - We will not cancel your travel arrangements less than 10 weeks before your departure date, except for reasons of **force majeure** or failure by you to pay the final balance. We may cancel your holiday before this date if, e.g., The minimum number of clients required for a particular travel arrangement is not reached. If your holiday is cancelled you can either have a refund of all monies paid or accept an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value). In some cases we will pay compensation. **Compensation** - If we cancel or make a major change we will pay compensation as detailed below except where the major change or cancellation arises due to reasons of **force majeure**. The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Force Majeure We will not pay you compensation if we have to cancel or change your travel arrangements in any way because of unusual or unforeseeable circumstances beyond our control. These can include, for example, war, riot, industrial dispute, terrorist activity and its consequences, natural or nuclear disaster, fire, adverse weather conditions, epidemics and pandemics, unavoidable technical problems with transport.

8. IF YOU HAVE A COMPLAINT

If you have a problem during your holiday, please inform the relevant supplier (e.g. your hotelier) and our resort representative immediately who will endeavour to put things right. If your complaint is not resolved locally, please follow this up within 28 days of your return home by sending an e-mail to our Customer Services Department at sales@cyplon.co.uk, giving your booking reference and all other relevant information. Please keep your letter concise and to the point. It is strongly recommended that you communicate any complaint to the supplier of the services in question as well as to our representative without delay and complete a report form whilst in resort. If you fail to follow this simple procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract. Please also see clause 3 above on ABTA.

9. OUR LIABILITY TO YOU

If the contract we have with you is not performed or is improperly performed by us or our suppliers we will pay you appropriate compensation if this has affected the enjoyment of your travel arrangements. However we will not be liable where any failure in the performance of the contract is due to you; or a third party unconnected with the provision of the travel arrangements and where the failure is unforeseeable or unavoidable; or unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or an event which we or our suppliers, even with all due care, could not foresee or forestall. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of two times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

a) The contractual terms of the companies that provide the transportation for your travel arrangements. These terms are incorporated into this contract; and

b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of compensation that you can claim for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions.

You can ask for copies of the transport companies' contractual terms, or the international conventions, from our offices at Cyplon Holidays, 246 Green Lanes, Palmers Green, London N13 5XT. Telephone 020 8340 7612. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be published at EU airports and will also be available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in clause 7. If any payments to you are due from us, any payment made to you by the airline will be deducted from this amount.

NB this clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

10. PROMPT ASSISTANCE IN RESORT

If the contract we have with you is not performed or is improperly performed as a result of failures attributable to a third party unconnected with the provision of the services, or as a result of failures due to unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which we or our suppliers, even with all due care, could not foresee or forestall, and you suffer an injury or other material loss, we will offer you such prompt assistance as is reasonable in the circumstances.

11. PASSPORT, VISA AND IMMIGRATION REQUIREMENTS

Your specific passport and visa requirements, and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements.

12. EXCURSIONS

Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For any excursion or other tour that you book, your contract will be with the operator of the excursion or tour and not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

13. DATA PROTECTION STATEMENT

Please be assured that we have measures in place to protect the personal booking information held by us. This information will be passed on to the principal and to the relevant suppliers of your travel arrangements. The information may also be provided to public authorities such as customs or immigration if required by them, or as required by law. Certain information may also be passed on to security or credit checking companies. If you travel outside the European Economic Area, controls on data protection may not be as strong as the legal requirements in this country. We will only pass your information on to persons responsible for your travel arrangements. This applies to any sensitive information that you give to us such as details of any disabilities, or dietary/religious requirements. (If we cannot pass this information to the relevant suppliers, whether in the EEA or not, we will be unable to provide your booking. In making this booking, you consent to this information being passed on to the relevant persons.)

14. PASSENGER CONDUCT

We reserve the right to refuse to accept you as a customer, or to continue dealing with you if your behaviour is disruptive or affects other holidaymakers, or is threatening or abusive towards our staff or agents in the UK or in resort, on the telephone, in writing or in person. In such circumstances no refunds or compensation will be paid to you. Civil or criminal proceedings may be instigated.
